**The Arc of Camden County
Mission**

The Arc of Camden County is a private non-profit agency founded in 1958. It provides a significant contribution to people with developmental disabilities throughout Camden County. The Arc emphasizes the development of each person through employment, residential and adult day programs, family support, self-advocacy, and recreation. The Arc serves more than 700 people each day through highly individualized programs designed to help each person meet their needs as independently as possible.

Your support is needed to help The Arc of Camden County continue their efforts on behalf of individuals with disabilities throughout our community.
